

The Flynn Society

The Fountain Hills Community Foundation (the Foundation) is proud to establish the Flynn Society. The Flynn Society began in 2009, with the goal of creating the fiscal infrastructure needed for our annual giving program.

The financial support received annually from the Flynn Society will help sustain the grants program which enables the Foundation to fulfill its mission of supporting educational, cultural and humanitarian activities in the Fountain Hills area.

What Does It Take to Join?

To join the Flynn Society, members pledge an annual contribution of \$1,000 or more. The Foundation has set the membership goal of 100 members or \$100,000 in annual contributions. This funding will go to the many local qualifying charities serving our community and will decrease dependence on fund-raising events.

Benefits to Flynn Society Members:

- The opportunity to help enhance the quality of life in Fountain Hills;
- Invitations to exclusive special events;
- Communications on key Foundation activities and events; and
- Ability to contribute to local charities in need.
