

To our Readers:

Since our first issue on March 17, 2005, we have delivered *Take 5 Entertainment and News Guide* at no charge to virtually every driveway in Fountain Hills and North Scottsdale.

Beginning with our June 19, 2008 edition, we no longer will deliver *Take 5* in this manner.

Loyal readers of *Take 5* (the most attractive and intelligent people in the world), should not panic. Those who wish to continue receiving free driveway delivery will have that option.

Here's how: To continue receiving *Take 5* on your driveway, simply call (480) 889-2335 and leave your name and address. Or, send your name and address in an e-mail to Todd@Take5AZ.com. As always, we offer home delivery free.

We're also excited to introduce our new digital version of *Take 5*. We are debuting the digital newspaper June 19, but for a sneak peek, go to www.Take5AZ.com and click on the turning pages. Readers can also subscribe to the digital edition. Those readers will receive e-mail reminders when we publish each new issue.

Finally, we're increasing our circulation of newspapers through racks and stacks at dozens of nearby businesses. See the sidebar on this page to find a convenient location.

This adjustment of our distribution method is our first step in our long-range plan of converting *Take 5* into an all-digital media company. As a happy coincidence, it's a step toward being more environmentally friendly, too.

We continue offering the same great coverage of entertainment, recreation, business and politics in Fountain Hills, Scottsdale and beyond.

If you have any questions, please do not hesitate to contact *Take 5* co-publishers, Greg Crawford and Todd Elwood, at (480) 889-2335.

Thank you.
